CONSENT MOTION FOR EARLY RELEASE OF JURY QUESTIONNAIRES

With the consent of Everett McMillian, Assistant US Attorney, the Defendant, through his undersigned attorneys, requests that this Court direct the Clerk of Court's office to release the completed jury questionnaires for the June 3, 2024, panel to both the prosecution and defense counsel as soon as is practical, but no later than May 23, 2024. Counsel for both parties also consensually request that this Court direct the Clerk of Court's office to immediately release to all counsel of record in this case the actual (i.e., blank) questionnaire sent to prospective members of the jury panel, so as to avoid wasting time of submitting duplicative *voir dire* requests, which we submit is in the interest of judicial economy.

By our calculations, the jury questionnaires for the June 3, 2024 panel should be made available on or about May 27, 2024, but that day is a federal holiday (Memorial Day). The defendant's counsel would like to have the questionnaires made available to all counsel as expeditiously as possible, but the best-case-scenario is that they will arrive on May 28, 2024, even if the May 27th Memorial Day interference is minimal. For that reason, we jointly request that the Court assist counsel with receiving the questionnaires as soon as they become available, so that counsel will have access to the completed questionnaires for at least one full week prior to jury selection on June 3, 2024.

The parties appreciate the Court considering this consent request and would appreciate any relief it is inclined to grant.
